

Mental Health Clinician

SPARK ALL WELLNESS

OVERVIEW

Spark All Wellness is seeking a part time mental health clinician for 20 hours a week, Monday-Friday for our growing psychotherapy practice. Are you a clinician who is interested in creating your own schedule and having flexibility to work from home? Do you want to work in a supportive group practice and build your clinical skills? Are you motivated to make a difference in the lives of women and children?...if so, Spark All Wellness is looking for YOU! The position is flexible and we can work with you to create a dream in-person, virtual or hybrid job!

JOB DESCRIPTION

Spark All Wellness is looking for both licensed clinicians (LCSW, LMFT, LPCC) and associate clinicians (MSWs, MFTs, PCCs) to join our growing group private practice. We are currently looking for growth mindset individuals who have a desire to engage in empowering work with women and children. We are seeking mental health clinicians who are ready to be part of a dynamic, fun and collaborative team.

Mental Health Clinicians will be responsible for:

- Providing direct mental health services to women, children, teens and families.
- Running psychoeducational and/or therapy groups
- Mental Health Clinicians will also have the opportunity to assist and/or lead clinical training.

By joining our team you will be provided with:

- Competitive compensation
- Referrals from a waiting list
- Individual & Group clinical supervision towards licensure for associates
- Individual & Group consultation for licensed clinicians
- EMDR consultation towards EMDRIA certification
- Access to in-house training opportunities and continuing education (CE)
